Getting To Know You

List your skills and interests:

How long have you been an entrepreneur?

What is the name of your business?

What type of service or services do you provide?

If applicable, what event led you to desire to start your own business?

How long has your business been in operation?

What do you feel was the most difficult obstacle you had to overcome when you first began your business?

What skills did you lack?

What training do you wish you had?

Are there any resources that could have made starting your business more productive?

Did you feel supported by your parents or guardians? Why or why not?

If you are picked for the symposium panel, what insights could you share for future young business owners?
